# TREASURER'S ISLAND

Hello- I do hope all of you had a very "Happy Thanksgiving" with all of your loved ones. Next on the agenda coming up is Christmas and all the Christmas activities, meetings and etc. in-between Thanksgiving and Christmas. It will be a very busy month, but an enjoyable one. .May you have a "Merry Merry" and a "Happy Happy" and an abundance of good health in the new year.

Our December Meeting of Handley Neighborhood Association on December 14, 2009,will be celebrated with a huge pot luck Christmas dinner—meat and drinks provided by HNA. We are going to have the fun game of a Chinese $5.00 Gift Exchange, election of 2010 officers and a short business meeting. Please don't forget to bring your wrapped $5.00 gifts, your potluck goodie to eat & share and also canned vegetables for Eastside Ministries.

Handley Code Blue will also be having a potluck dinner and a Chinese $5.00 GIFT exchange on December 21, 2009. Code Blue will be furnishing the meat and drinks. We are also collecting canned vegetables for Eastside Ministries .Don't forget your goodies to eat, your wrapped gift and food for Eastside Ministries.

The CAC Christmas party is on December 7th at the Meadowbrook Methodist Church.
We are to bring children's non violent books and or toys - unwrapped. The CPAA Christmas party is on December 10th.. We will have a Chinese $10.00 gift exchange and it is a potluck also. Due to the upcoming Code Blue Christmas party, there will be no Captains meeting in December.

Please put all these dates down on your calendar.

I must tell you about a dog I met recently. Yes, a dog. His name is "Bo." He is a battle scared warrior from way back. His blood shot eyes—he looks like the morning after the night before. He is the sweetest dog you'd ever hope to meet. By his looks, he has been in many a fight through the years. In the day time, he comes every morning to this hide away antique store off Vickery Blvd. and lays down all over the place on pads put down in various offices for him. He has been fixed, has a chip and is well fed. He stays around all day and when the warehouse closes in the evenings, old "Bo" disappears, only to return the next morning for his handouts. Old "Bo" rules the roost though—the other dogs give him wide open spaces and stay out of his territory. You can pet him and love on him and he will lean over against your legs and begs for more loving. Old "Bo" and his blood shot eyes are a sight to behold. He looks like the grapes of wrath, but he brings a lot of enjoyment to so many people. Looks are so deceiving- a classic example of never judging a book by its cover or a person by the way they look, for under that tough raggedy outer exterior, could be the most loveable person or pet you could ever hope to meet. It was a pleasure to meet you "Bo", and hopefully we will meet again.

You talk about looks, well, since I have lost 140 lbs., many if not all of my clothes are a dragging & also a hanging off my shoulders. Right now I don't want to invest in any new clothes until I have lost at least another 30 lbs. My niece, Cricket, tells me, "Aunt Betty, get you some new clothes that fit you—you look poor and too, people will think you are sick and taking Chemo .with your clothes a hanging on you. Oh well—it's a great life if you don't weaken. I'm a getting terribly weak.

Our Historic Handley Railroad Museum is well on its way to being finished. Lloyd Jones has been putting in many hours of work into it. If you remember the building that the Pantagleize Theater occupied across the tracks by the Harrison Carpet Warehouse, that is where the RR Museum will be located and also that is where there will be a hotdog stand.

On Saturday the 21st day of Nov. some of us gathered at the gazebo to decorate the Christmas tree. A great big thank you goes to those people who came out to help us decorate the "Charlie Brown Christmas Tree." A world of thanks goes to Joe Laird, a new comer to Handley Dr., for climbing the ladder to put the lights & decorations on the very top of the ever growing tree. He also came back & helped me check out the lights to make sure they worked before the Saturday night festivities. Thanks to Lucy Mock, Olga Castillo, Evan & Emily Wincovitch, Joann Ehlers, Doris Harrison, Lloyd Jones and Will & Nedia Dryden for showing up to help us. We will have an official lighting of the tree on the Saturday evening after Thanksgiving. We will have finger foods and drinks for all to enjoy and will have Christmas music.. We hope you will plan to come help us celebrate. Brad Haskovec. from the Antique Mall Tea Room is furnishing us some delicious cookies and sweets for the occasion. Thank you Brad, it is greatly appreciated. By the way, Brad's Tea Room is now serving breakfast.

I would like to also take this opportunity to thank our businesses for allowing us to place the cans in their businesses to collect money for our railroad museum. Thank you so much. I will be taking the cans up and out of your way by the end of December.

Thanks to the businesses who advertise with us. They are the ones who enable us to put out this newsletter, printing and postage, and help pay for the food at our monthly meetings. It is all greatly appreciated. We also have donated to the HHDC sponsorship of the T-shirts for the street festival, Meals on Wheels, East Side Ministries and helped one of our own members in a time of need to name a few of the community things we do during the year. We are now involved in the up-keep of the "Old Handley Cemetery.".

It's that time of year again when our $12.00 dues are due to be paid by January 1, 2010. Thanks to those of you, who have been sending in your dues now, to save us some money on the printing of the dues statements and the work involved in putting them in our newsletter. Where else can you get a dinner & a newsy newsletter of "Happenings" in your area for just $12.00 a year, 12 times a year?

May the New Year 2010 be a fantastic one for us all—health wise and every other wise.
May your Christmas be a blessed one for you and your family.

Betty, Heidi, Rotel & My Little Dog from Hell, Toby wish you & yours a "Merry Christmas" and a joyful "New Year."

# THE HANDLEY NEWS
# OCTOBER 27, 1949

*The Handley News in October 27, 1949 was the only Newspaper in Handley. Thanks to Pat Brown for giving me these old newsletters, so that some of us can enjoy and reminisce about those long ago years, that have slipped by so very swiftly.*

Do some of you remember the Smith and Putman's Jewelry Store that was located just south of the post office? There was also a water office next door to the jewelry store. Both the jewelry store and water office were robbed and the safe was loaded into a truck. The police found the safe later in a field a few miles south of Grand Prairie. The safe had been blown and pieces of jewelry were scattered everywhere.

This burglary stuff is becoming rather common in Handley and it would seem certain that we shall be compelled to seek better protection than we have at present. If the city can do nothing to protect us, it will be up to the people here to devise some plan that will give us a measure of protection against burglars and thieves.

Auditors Favors Tarrant County Tax Survey---County Auditor Williams favors the survey in Tarrant County, said that the small home owners and the average tax payer would benefit.

The Lynch Pharmacy Ad—PROLONG YOUR LIFE! Good health means a happier, longer life. Follow the advice of your doctor and stay well. And when medicine is necessary, you can bank on us for the best. How many of you remember Jesse and Oma Lynch at 6519 East Lancaster?

W. B. Grove and Company Insurors at 3132 Handley Drive have served the Handley area for 42 years.

There was the First National Bank of Handley and the Handley Lumber Co. The telephone numbers were Lockwood 5831-5861 and etc. Mrs. M.L. Kimsey was the society editor of the Handley News.

One thing probably Stalin does not understand is the fact that we can spat like dogs in this country and then wash up and be friends. It might be dangerous for him to assume that we are divided on matters that involve the safety of the country, when things come to a showdown. General Eisenhower expressed it very well, when he said that this country can lick the world. If this country runs true to form, when an emergency comes they will all be there to defend the greatest country in the world with all they have and all they are. There lies the real strength of a democracy, such as ours.

### HI-SCHOOL HI-LIGHT - HANDLEY HIGH SCHOOL

THE JUDGEMENT DAY- A great many students do not understand the importance of good grades. If you are going to take your place in the world, you need a reasonable amount of education. Handley High Band Guest of State Fair—in Dallas on October 22, 1949. Mrs. C. L. Beaty provided free transportation in a chartered Texas Motor Coach. The governor of Kentucky was also a guest at the game. The only disappointment of the day was failure to see All-American Doak Walker play. Walker was hospitalized with the flu.

Personality of the week was Bobby South, Handley High's golden-toed Senior. He was known for his football maneuvers and he also played basketball. During work day, Bob hauled scrap iron for Red Duncan and also cleaned up lawns. When interviewed Coach Harris had to say, "Bob is the most conscientious boy I've ever known. Modesty, too, is one of Bob's fine qualities." His nickname was "Bugger Red." Bobby South is a Handley High School Alumni member.

STUDENTS DISCUSS UNITED NATIONS— IN OBSERVANCE OF United Nations Day, the second period American History had a panel discussion in class, Monday, October 23, 1949. Betty Chilcoat was chairman of the group. Dick Caruthers discussed the organization of the United Nations. Evelyn Cloud told what countries were members. Kenneth Moore gave the aims of the United Nations and Sarah Gulledge discussed some of the problems settled and to be settled by the United Nations. A wire recorder was purchased by the speech department from proceeds received from the two plays, "The Tale of a Shirt" and "Tom Sawyer", given by the Speech Club of 1948. The wire recorder was to be used in all departments .In speech, students can hear their voices and improve enunciation and pronunciation. The music Dept. can improve their tone quality.

CARUTHERS SELECTED MAYOR OF OUR TOWN----In a recent meeting of the Texas Chapter, Fort Worth and Handley Chapter of DeMolay Councilors, our own senior, Dick Caruthers, was elected to be Mayor of Ft. Worth, on Friday, November 25, 1949.On this day, the DeMolays of Ft. Worth, actually "run the town." The purpose of Civic Day for the DeMolays is not only for pleasure, but for a better understanding of civic affairs. Dick Caruthers was later killed in the war.

Handley had another first---the first ventilators. This particular ventilator, designed by Mr. Scarborough, was in-
